

## COVID-19 STATE MANDATES

- All rules apply to all 3 rides.
- MASKS: Must be worn at ALL TIMES when on property. NO EXCEPTIONS.
- All parties MUST stay in their own groups and SOCIAL DISTANCE.
- Come in GROUPS. (Example-friends, family and people you are around every day.)
- GROUPS: 8 to 12 are preferred. Smaller groups will be accommodated but may experience longer wait times.
- PLEASE EXPECT LONGER WAIT TIMES THIS YEAR.
- When you arrive on the property you may be asked by COVID-19 officers to stay in your vehicles. This is due to long lines. As soon as those lines go down they will let you in.
- You can purchase tickets on property. NO need for reservations.
- There will be NO LOITERING on property. When done with riding the rides. You must exit the property. Be kind to the people waiting to ride too.
- Additional rules if any will be posted at each ride.
- HEARSE RIDE: Groups of 4 to 7 people only. We will have a limited amount of tickets for this ride. First come first served.
- MASKS ON AT ALL TIMES.
- HOUSE: Groups of 7 people only at a time. Stay in your groups. No stopping at the scenes. PLEASE DO NOT TOUCH ANYTHING. MASKS ON AT ALL TIMES.
- The Last Ride decide to open this year to give people some kind of normalcy and fun for the Halloween season. We take COVID-19 State Mandates very serious.
- Please understand this year will be different because of COVID-19. But, if we all follow the rules we will be safe and have some fun. Hope to see you all this year. Thank you
- We are open October 2 to October 31
